**SESSION 2022-23**

## *From Principal's Desk :*

*As we know that education is an effective tool of social transformation. Education is the manifestation of love which drives away ignorance and through illumination it emboldens a man to a righteous thought and action. It empowers a woman and enlarges the horizon of her mind. It energizes a society and enables a man to earn his descent living with respect and dignity. By looking at bright and successful careers which our thousands of students have achieved we get encouragement and can be discerned that our students have possessed inseparable wealth for their lives which subsequently benefit the society.*

*With great excitement and proud, I place on record of the Gossaigaon College of Arts and Science the fact that visionary dream of its founding Fathers' little mission some decades ago to transform a small college into a big one, has unfolded into an institution of glorious past and great future. We the teaching community and other stake holders of the Gossaigaon College of Arts and Science are prepared to make effort to accomplish our vision and mission for betterment of academic scenario in India. We feel proud that we are the part and parcel of such an excellent domain which is shaping modern India. Endowed with progressive outlook Gossaigaon College of Arts and Science aims to continue growth in the quality of all academic activities with a sense of commitment to fully meet the expectation of students, parents and society at large. Our college cares for the individual development of each and every student by according prime importance to the behavioural discipline, moral integrity and cognitive developments of our students.*

*Departments of NSS, NCC, Career Counselling Cell, Red Ribbon Club, Green Eco-Club and Centre for Woman Empowerment offer integrated services for the multi-faceted developments of our students. Our teachers strive to teach not only academic programmes but also life skills needed for students' self-development with highly resourceful faculty.*

*The Covid 19 Pandemic has caused the biggest disruption and has brought challenges in the maintenance of continuity of teaching-learning, effective utilisation of resources and management of anxiety level and nurturing the enthusiasm of the young minds. To day time has come to reaffirm ourselves to bridge the gap by tackling the challenges to meet the ever-changing demands to upgrade knowledge and skills.*

*I wish the best of luck, peace and prosperity to all those who contribute to the noble task of spreading education and its manifest qualities, aims and objective.*

**Dr. Kumud Ranjan Basumatary,  
MA, M.Phil, Ph.D.**

**Principal i/c.  
Gossaigaon College, Gossaigaon**

### **COLLEGE PROFILE**

*The Gossaigaon College is the only Provincialised degree College imparting higher education to all the students of entire Gossaigaon civil sub-division since its establishment in 1971. The primary aim of the College is to provide higher education to the deprived and economically downtrodden section of the society and to empower them to get employment in various sectors and to develop into good citizens.*

*The College is situated in a vast land area of 9.73 hectares purely in a rural set up with adequate infrastructural facilities to run the existing courses. The beautifully grown Sal trees (*Shorea robusta*) on its northern side immensely glorify the campus and provide a peaceful natural atmosphere conducive to teaching-learning processes. Since its humble inception in 1971, the College is marching ahead against all odds and has reached the present position. In the beginning, altogether eight departments were introduced in the Arts Stream with more addition in later stages. The college authority has also taken a bold initiative by introducing Science Stream having affiliation to Bodoland University. Hard work and strong determination of the College authority was able to bring the institution under deficit grant-in-aid system in 1978 and also obtained recognitions from the UGC under section 2(f) and 12(b) of the UGC Act.(1956) in the year 1990. Subsequently, the College has been brought under provincialised system by Government of Assam in 2005.*

*The post Graduate (PG) course in Geography and Economics has also been introduced at Gossaigaon College with intake capacity of twenty (20) student each subject per semester from the academic session 2017-18.*

*Free wifi access has been provided to the students, teachers and staffs to access e-resources in the college campus. Keeping in view of the growing demand of the society, office automation was installed for smooth functioning of college administration by using the ICT resources from the academic session 2017-18. Apart from these, the college has been brought under CCTV surveillance system since 2018.*

*With its limited resources the college has ably faced two successive cycles of NAAC Assessments, the first cycle being in the year 2004 and the second cycle in 2016. Indicators in both these assessments hint towards upliftment of quality education with modern facilities which the College is still striving for.*

*In order to achieve academic excellence, the College authority is endeavouring to tap the co-operative moods of all teaching and non-teaching staff of the College. During the pandemic of Covid-19 special online classes were arranged for Major Students. Over the years, the College has achieved success in improving the academic atmosphere in the right perspective. Apart from imparting academic teaching to the students, the College also organizes remedial classes as well as coaching classes for entry into various service sectors like Civil Service, Banking, Assam Public Service Commission, Railways, TET etc. with the financial assistance received from UGC from time to time.*

*Apart from this, students are also provided opportunities to participate in co-curricular activities through the NCC and the NSS unit of the College. The NCC unit of the College is largely vibrant in all its activities including participation in Republic Day Parade, National Integration Camp, Mountaineering Camp etc. held every year in various places and also achieved success with many awards. Many cadets hailing from poor families have got placements in various defense services. As a whole, the College has been able to harness the good talents of the students in co-curricular activities which is reflected in the success stories achieved in Inter College Football Tournament tournaments organized in many affiliated colleges by Gauhati University in several occasions.*

*The establishment of Gossaigaon College in the year 1971 was the realization of the hopes and aspirations of thousands of well wishers that aimed at providing higher education to the downtrodden people of this neglected backward area in the State of Assam. The institution has passed through many ups and downs during its journey since 1971. The last 50 years of struggle has bore fruits today which could be witnessed from the services of outgoing students rendered to the society and nation. We have a long cherished vision to accomplish in future and reiterate our resolve and determination to transform them into reality to enable the institution to achieve new heights of excellence. On Completion of 50 years of its glorious existence the Gossaigaon College has observed its Golden Jubilee Year in 2021 with pomp and gaiety.*
