**Decentralization and participation in the institutional governance**

**Academic Year 2017-18**

At the beginning of every academic year various committees are formed so as to ensure decentralization and participation of all stake holders in the college administration. A coordinator and host of member work as a team in every committee. All activities are planned, performed and report is submitted to the IQAC accordingly. Coordinator of the concerned committee is responsible for the entire work. The concept of decentralization of administration is thus, followed.
