2. Management of the various types of degradable and non-degradable waste:

Response: All bio-degradable wastes are regularly collected and deposited into Pits for decomposition to be used as manure in the College Garden.

Non-degradable wastes are separately sorted out to be handed over to the Municipal Board collector

3. Water conservation:

Response: Water conservation measures not yet initiated by the institution as no such acute water scarcity in the area reported.

4. Green campus initiatives:

Response: Continuous monitoring of the college campus undertaken by the college authority by observing various activities like tree plantation, bio-diversity study, species richness study etc.

5. Disabled-friendly, barrier free environment

Response: The college takes utmost care in providing for the people with disabilities. Ramps are provided to every adjoining building of the campus. Campus Buildings, toilets, laboratories, library, etc. are barrier free and accessible for all types of differently abled persons. Satellite view of the college campus is indicative of barrier free environment.
